

REVERSE CHRISTMAS PARADE
TRAFFIC PATTERNS AND STREET CLOSURES
SATURDAY DECEMBER 12, 2020

The following will be in effect between 4:00 pm and 9:00 pm :

- 4:00 pm - Midland Ave completely closed for parade staging. The parade entries will be parked on the outbound side.
- 5:30 pm to 7:30 pm:
 1. Midland Ave - One lane inbound traffic from Winchester Rd to E Main St, with non-stop access to the right lane of Main St (using cones) to keep traffic flowing.
 2. No access to Midland Ave from side streets.
 3. Walton Ave – Right turn only onto Winchester Rd.
 4. Inbound E Main St – Right lane closed from Midland Ave (outbound Midland closed) thru the intersection, and past the merging traffic from Midland.
 5. Outbound Third St – Diverted to Shropshire Ave.
- 7:30 pm - 9 pm (approximate) :
 1. Midland Ave completely closed for egress of parade vehicles.
 2. Winchester Rd, Walton Ave, and Third St back to normal traffic patterns, then Main St will be cleared.
- 9 pm (possibly earlier) : Normal traffic patterns on all streets.
